15. Multidisciplinary / interdisciplinary

Since the declaration of New Education Policy (NEP) Higher Education Institutions have been organising various sensitization programmes and faculty members of the college wholeheartedly participated into many of such events. It includes online as well as offline participation. As the college is affiliated with RTM Nagpur University, Nagpur, there is a compulsion of following the curriculum and methods of assessment prescribed by the parent university. We achieve interdisciplinary and multidisciplinary objectives through various inter-departmental programs such as seminars and workshops.

16. Academic bank of credits (ABC):

As a mandatory requirement for NEP, the Ministry of Higher and Technical Education, Government of Maharashtra has communicated with all Vice Chancellors to develop a roadmap for the effective implementation of the Academic Bank of Credit. Students in the institution are instructed and are given templates and presentations on how to create individual ABC ID. A larger number of students have already submitted data onto this. Meanwhile, we are raising awareness among students about the ABC and its benefits through various programs.

17. Skill development:

We believe that skilled students possess the ability to work effectively and efficiently. Our college offers programs to fulfill the demand for a skilled workforce in both the public and private sectors. Through various cells, clubs, associations, co-curricular and extra-curricular activities, we aim to develop life skills among our students.

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The location of the institution is at a place from where social reforms in education, politics, education and religion were put in vibrant motion. The entire nation witnessed the same and the institution is honestly putting in every effort to connect the young generation with the pathways to be followed and new to be created. Of course, this is not possible unless the knowledge stock in India is being purposefully considered. The college offers education in

the faculties of Management Studies. While all the teachers deliver prescribed content by the University, it is pedantically observed that every chapter and section is connected to the roots of Indian treasure of knowledge. Teachers are sensitized towards adopting a content that gives the learners a brilliant idea and conceptual familiarity with an extraordinary knowledge already available within the traditions of the land. we are Teaching our students in Marathi,Hindi,English Language for all the four semesters for making the concepts clear to all students.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The institution focuses on an Outcome-Based Education system (OBE). While the university frames syllabi for all courses, many teachers actively participate in the process of updating university curricula to align with the latest knowledge requirements.

20.Distance education/online education:

we have given Google classroom portal to students for their studies,the students has the access of this portal throughout the academic year.

we have also conducted online webinars for our students.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Programmes for advanced learners and slow learners.

Yes, the Institute is very serious in assessing the learning level of students. We have a streamlined mechanism for continuous monitoring and evaluation of the students.

Students are identified based on:

1. Performance in Graduation Examination
2. Class Test

For Slow learners:

Slow learners are kept in separate section and exams are conducted to them. The student mentor assesses the nature of their problems and then motivates them in a friendly way to reach their academic goals. Remedial classes are organized to clarify doubts, re-explaining of critical topics for improving performance. Appropriate counseling with additional teaching, eventually helps to students to improve.

For Advance Learners:

Advance learners are identified through their performance in examinations, interaction in class room and during interactive session, their fundamental knowledge, concept understanding and expression abilities etc. The Institute promotes independent learning that contributes to their academic and personal growth.

Strategies adopted for student improvement:

1. Remedial classes are organized to clarify doubts.
2. Re-explaining of critical topics for improving performance.

3. Motivational classes are conducted to improve the mental ability of student to analyze problems and to encourage student to regularly attend classes.

4. Students can discuss their personal issues with teachers for proper guidance.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

6.3.5 Institutions Performance Appraisal System for teaching and non- teaching staff Describe the functioning status of the Performance Appraisal System for teaching and non-teaching staff within a maximum of 200 words

A good performance management system works towards the improvement of the overall organisational performance of teams and individuals for ensuring the achievements of the overall organisational mission and vision. An effective performance management system plays a crucial role in managing the organisation in an efficient manner. In line with this, the Institute is following the appraisal scheme suggested by AICTE viz. Performance Based Appraisal System (PBAS). In this scheme, the performance s are classified into three categories

(i) Teaching, Learning and Evaluation related activities

(ii) Co-Curricular, Extension and Professional Development related activities

(iii) Research Publications and Academic Contributions

These scores are used for the award of career advancements to faculty members and for promotion to next higher position.

Further, at the end of each semester, feedback forms are issued to the students for each of the courses attended by them. The feedback forms in the form of questionnaire collect information about the

teacher and different aspects pertaining to the teaching process.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

6.5.1 Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes Describe two practices institutionalized as a result of IQAC initiatives within a maximum of 200 words.

IQAC is one of the major policy making and implementing unit in our college. It strives hard for upgrading the college infrastructure and all support facilities to meet the standards of higher education and growing need of students. It assesses and suggests the parameters of quality education.

- Academic Audit through IQAC:

The college takes academic audit of each department and various committees every year through IQAC to increase and maintain the quality of education. Academic Audit Committee is set up for this purpose. At the beginning of academic session, the committee collects academic plan including publication, extension activity, collaboration, innovative and best practices, assignment, ICT based activity, students competition, seminar and workshop supposed to organize for better performance.

- Implementation of Green practices in the campus:

The IQAC proposed to initiate various green practices to maintain eco-friendly college campus through the activities i.e. Tree Plantation, Paperless Work, Plastic Eradication, Clean and Beautiful Campus, No Vehicle Day, Save Power, Paper Bag Workshop, Awareness Programme on Renewable Energy and e- Waste Management.

- Use and enrichment of ICT infrastructure

The use of ICT tools has become an integral part in teaching -learning process. IQAC always encouraged teachers to utilize these tools in classroom teaching and laboratories.

6.5.2 The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms.

The IQAC continuously reviews and takes steps to improve the quality of the teaching-learning process.

The Academic Calendar is prepared in advance, displayed and circulated in the Institute and strictly followed.

Admission to various programmes, summer, winter and mid-term vacations, examination schedule and declaration of results are notified in the Academic Calendar.

All students are provided with the Student Diary that provides all details relevant for students.

Students are apprised of the Time-Table, Programme structure, syllabi of the courses before the semester commences.

Class Committees are regularly conducted with students to take feedback and appropriate steps are taken to enhance the teaching-learning process.

Feedback from students is also taken individually by teachers for their respective courses, by Proctors, AAAC and directly through IQAC. Students are also free to approach the Director of the Institute for feedback and suggestions.

The teaching-learning processes are reviewed, and improvements implemented, based on the IQAC recommendations. The major initiatives taken over the last five years include the following:

- Introduction of Daily Home Assignments

- Automation of Admission Processes - Provision for online fee payment
- Curriculum Development Workshops in many subjects
- Green initiatives in Campus - tree plantation, Biodiversity Park, Biogas plant, solar photovoltaic power plants, e-vehicles etc.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Real Institute of Management & Research(RIMR) being a co-ed institution gives special

emphasis to gender equity and tries to sensitize its students against gender discrimination in

various ways.

Gender Equity: Almost all programs have nearly equal number of boys and girls admitted

every year. Participation of Girls and Boys is equal in various co-curricular events.

Both Boys & Girls can be seen holding senior positions such as , team

leaders and committee members in various committees such as Grievance redressal committee,

Anti Ragging committee and Sexual Harassment committee .

Measures to promote gender equity: The Institute conducts gender sensitization programs

regularly for students to spread awareness about gender equity, respect for opposite gender,

imbibing empathy and understanding opposite gender.

Safety and Security: The institute campus is covered under surveillance of CCTV. This

always ensures continuous close monitoring of all students to ensure any untoward incident is reported and

recorded. Separate male and female faculty members are deputed for industrial visits and

to provide sense of security to girl students.

Common Rooms: Common rooms are available for the girls separately which have

facilities like sitting arrangement, first aid provision etc. Rooms also have sanitary napkin

provision to provide better personal hygiene facilities to girl students.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

We believe in unity in diversity that's why our students respect the different religion, language and culture. We feel the college is our second home and all faculties like a family member. We greet and wish each other at different festivals and invite them to have a feast to get introduced with ones culture to have amicable relations

and to maintain the religious, social and communal harmony. Similarly our students also celebrate the different festivals with joy and enthusiasm which help them to implant the social and religious harmony. The diversity in India is unique. Being a large country with large population. India presents endless varieties of physical features and cultural patterns. It is the land of many languages it is only in India people professes all the major religions of the world. To represent our Indian culture, on the eve of our college annual gathering we organize a traditional dress competition and fashion show. In this competition students wore the different attire representing the different states, religions and cultures. Through this activity students get acquainted with the different culture of our nation and help to develop the tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities. This also creates the inclusive environment in the college and society. But due to the covid 19 pandemic lockdown we couldnot celebrate most of the events, keeping in mind the safety of the students, Teaching and Non-Teaching staff of our college.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

At RIMR we believe in giving holistic all round education to the students. And sensitizing students on our constitutional rights, values, duties and responsibilities is one of the primary educations given at the institute through various means. Sensitization of students and employees of the Institution to the constitutional obligations is done through curriculum as well as through extra-curricular activities. Many of the subjects offered have topics which sensitize the students about the constitutional obligations. As a part of strengthening the democratic values.

Every year Republic Day is celebrated on 26th Jan by organizing activities highlighting the importance of Indian Constitution. Independence Day is also celebrated every year to highlight struggle of freedom and importance of Indian constitution

Independence Day Celebrations August 15, 2020, the celebration of Independence Day was held in a mesmerizing way in the campus in spite of this pandemic situation by following social distancing norms. The morning of the Independence Day in the college started with a morning assembly at exactly 8:00 am. The flag hoisting was done by our young and energetic principal of the tricolour flag accompanied by the National anthem and the National song and everyone saluting the National flag created a different ambience in the premises. It was a pleasant morning on the campus of RIMR which was fully decorated by the saffron, white and green colours.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

TWO BEST PRACTICES SUCCESSFULLI IMPLEMENTED BY THE INSTITUTION AS PER NAAC FORMAT

1. Title of the Practice - Student Mentoring

2. Objectives: The college has a well-planned student mentoring system in place and it is implemented meticulously in each class across different programs. A teacher engaging more lectures in a particular class as per the time-table is appointed mentor of that class right at the beginning of the academic year. The mentoring system is employed to enable students to succeed both, in college and career. Its objectives include: To guide students in their academic progress and set realistic goals To motivate students to become members of various forums and fests conducted by the college.

2. STUDENT WELFARE SCHEME FOR ECONOMICALLY BACKWARD STUDENTS

Objectives: The student welfare scheme provides financial assistance to economically weaker learners in the institute. This scheme has obtained the unceasing support from management, staff and alumni. This scheme is directed towards achieving an inclusive institution.

Its noble objectives are: To extend financial aid to the economically weaker students, by providing grants, fee waivers etc

Provide discrete academic assistance and auxiliary services such as book bank scheme offered through the library for economically backward students. The Outcomes of this practice is striving towards upholding equity and inclusion among the economically disadvantaged learners through systematic execution of funding approaches.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Academic and Research achievement is the extent to which a student, teacher and institution have attained their short or long term educational and research goals. The Academic and Research Achievements of the University are as follows-

Academic Achievements: Our attempts to foster diverse all-round growth including teaching, learning and evaluation attributes are rated 'outstanding'.

In order to redefine academic excellence, RIMR faculty members strive for it and go beyond teaching. As the educational system becomes increasingly student-centered, it is the responsibility of the institute to guarantee that proper teaching and learning requirements are met. Students are encouraged to align their standards with industry and social demands as part of this process.

The well-defined student-centered system has the following goals:

? To establish and maintain state-of-the art teaching facilities.

? To train students in emerging technologies.

? To set up and maintain state-of-the-art laboratories

? To create number of incubation centres

? To provide training in emerging technologies through "Training and Placement Cell"

? To empower the student community through "Students Activity Centre" to emerge as a hub for educational excellence to achieve higher education that is on par with industry and societal requirements. Students were given full flexibility to built talents and train in managing numerous activities of professional organizations while the University brings them to a higher level of learning through the style of learning beyond the text book.
